

Six Secrets to Successful Remote Teams

So you've set up your teams for remote working, but have you set them up for success? Do they feel connected to their colleagues, clear on their objectives and motivated to achieve them? If you want to be sure, take a look at our pointers below.

1

Provide the right collaboration tools

4

Use task management tools to co-ordinate work

2

Stay in touch with your teams (without micromanaging)

5

Remove legacy technology that's holding you back

3

Set up virtual meeting spaces for focused project work

6

Allow flexible hours and trust staff to get their jobs done
